

Covid Policy February 2023

ESBM Covid Policy – February 2023

In response to official advice and guidance policy has been updated as follows:

ESBM accepts that there are no Covid restrictions in place nationwide but remains alert to the threats posed by Covid infection.

Strategy:

The following applies to everyone whether they are vaccinated or not

1. Visitors must sign-in and give a contact number.
2. Anyone who tests positive for Covid is advised to stay at home for 5 days and to take a lateral flow test on day 5. If they return a negative test they should return to school.
3. Anybody feeling ill with Covid-like symptoms is advised to leave the premises/remain at home and take a lateral flow test. They are advised to return only when they return a negative test result.
